

WHY FILE AN APPEAL?

You may file an appeal of any decision made regarding denial of, or change in mental health services. A provider may be selected by you to represent you in the appeal process.

HOW TO FILE AN APPEAL?

An appeal must be filed within 90 days of the date of the adverse benefit determination. You may choose to file an appeal verbally, but must be followed up by a written, signed appeal. If you choose to file a verbal appeal, please contact us at (209) 223-6412, or toll-free at (888) 310-6555. Please also complete this form. You may mail the completed form to the address on the front of this form. You may also place it in the appeal box at the front lobby of Amador County Behavioral Health. We will respond within 30 days (an extension of 14 days may be possible). If you believe that waiting 30 days will cause harm or to your health or mental health, you may request an expedited appeal. If the appeal meets the standards to be expedited, we will respond within 72 hours of it being expedited.

APPEAL FORM

You may ask for a staff person or other individual to assist you with the appeal process. You may choose to have another person act on your behalf. By filing an appeal, you will NOT be subject to discrimination or any other penalty.
