Executive Officer Chamberlain reviewed the packet and reported that comments had been received from the Planning Department, Public Works, and the landowner. 8. **Adoption of the Proposed Budget for Fiscal Year 2015-16 (Public Hearing)**

Ms. Chamberlain gave a brief overview of the Amador LAFCO budget process and stated that this year’s proposed budget is slightly less than last year’s budget. This will allow the cost share for the cities to remain approximately the same as for last year. The only area in which there is any significant increase is the line item for GIS Mapping. LAFCO will be working closely with ACTC in the coming year to convert as many sphere maps as possible into GIS maps.

Commissioner Crew asked if there were any major projects on the horizon and Ms. Chamberlain stated that there are none of which she is aware.

No persons were in attendance in the meeting room for this item and no correspondence or comment had been received regarding the hearing of the proposed budget.

**Motion:** It was moved by Commissioner Crew, seconded by Commissioner Oneto, and carried unanimously to adopt the Proposed Budget for Fiscal Year 2015-16, as submitted.

9. **Other Business, Reports**

   a. **Correspondence – Letter from William Chamberlain.** Ms. Chamberlain stated that she had talked with several attorneys with respect to the possibility of their interest in the position of legal counsel for Amador LAFCO, but that none had expressed any interest. A letter and resume has been received from William Chamberlain expressing interest in the position. After discussion among the Board and staff, Vice-Chairman Vinciguerra directed Ms. Chamberlain to circulate a Request for Proposals and stated he would talk to county counsel to verify whether or not he is interested in the position.
b. Commissioner Announcements – Commissioner Oneto discussed his and various group’s efforts in supporting AB 142.

c. Executive Officer’s Report – none.

d. Legislation Report (CALAFCO) – Ms. Chamberlain referred the Commissioners to the page from the CALAFCO Quarterly Legislation Report in their meeting packets. She stated that none of the proposed legislation would appear to have any major effect on Amador LAFCO.

e. Project Status Update – Ms. Chamberlain reported that she is waiting for the final maps for CSA 8. Q-Ranch and Gold Rush Ranch are still being tracked because they may reactivate, and if they do, the project owners will be responsible for paying for LAFCO time already spent on those projects.

It is LAFCO’s policy to retain records of time spent beyond 20-30 minutes so that LAFCO can be reimbursed for that time when a project does move forward.

10. ADJOURNMENT

Vice-Chairman Vinciguerra adjourned the meeting at 6:44 p.m.

The next regular meeting is scheduled for May 21, 2015.
