Item 1 - Request by George & Sharon Bensch for a variance from County Code Section 19.24.040 which requires a 25-foot front yard building setback, in order to allow construction of an enclosed garage, additional living space, and decks within 5 feet of the front property/right-of-way line. The proposed garage would be located approximately 30 feet from the edge of pavement of Fremont Road. Located at 33905 Fremont Road, Kirkwood, CA, (Lot 29, Kirkwood Meadows Unit 1) located approximately 650 feet west of the intersection with Kirkwood Meadows Drive. *NOTE: This variance, if granted, will also require the abandonment of the 25' public utility easement located along the front lot line as noted on the subdivision map, and an encroachment permit for that portion of the driveway proposed to be located within the road right-of-way.*

The TAC members will review the application for completeness and prepare recommendations for the Planning Commission. At this time, staff anticipates the project to be categorically exempt from CEQA and a Notice of Exemption will be filed.
