Off-agenda items must be approved by the Technical Advisory Committee pursuant to Section 54954.2(b) of the Government Code.

A. Correspondence.
B. Public matters and persons wishing to address the Committee regarding non-agenda items.
C. Agenda Items:

Item 1 - This project consists of the installation of infrastructure within County right-of-way (streets, culverts, water lines, and sewer lines) and construction of a wastewater treatment plant to serve Lake Camanche Village Subdivision Unit 3B. The subdivision map was recorded in 1973, creating 281 parcels for single-family residential use on approximately 315 acres with publicly-dedicated roads and pedestrian/equestrian trails. In 2008, the County certified a Mitigated Negative Declaration for project amendments to add an emergency access road from Village Drive to North Camanche Parkway and to adjust the pedestrian/equestrian trail locations. To date, the parcels in Unit 3B have not been made available for sale.

Applicant: Old Golden Oaks, LLC (Ryan Voorhees, owner)
Supervisorial District: 2
Location: Immediately south of Lake Camanche Village Unit 3A, at the end of public maintenance for Village Drive and Goose Creek

TAC will review the Draft CEQA checklist project and discuss the appropriate environmental review process.
