Re: Upper Blue Lake Dam – Seismic Retrofit Project Completion and Refill Plan

Dear Mr. Nimick:

This is in response to a letter dated April 10, 2020 from Mr. David Ritzman that submitted responses to our comments regarding the refill plan for Upper Blue Lake Dam, which is part of the Mokelumne Project, FERC No. 137. We have reviewed the responses, and we have no further comments.

PG&E is authorized to proceed with the refilling of Upper Blue Lake according to the refill plan in PG&E’s February 28, 2020 letter. We appreciate your continued efforts in this aspect of the Commission’s dam safety program. If you have any questions, please contact Mr. Cheuk Wan at (415) 369-3358.

Sincerely,

[Signature]
Frank L. Blackett, P.E.
