.....

DATE : **April 27, 2020**
TYPE OF INCIDENT : **Emergency Operations Center Daily Update**
DETAILS :

To enhance COVID-19 care in our county, in addition to Sutter Amador Hospital’s COVID-19 testing, WellSpace Health Amador Community Health Center has opened a COVID-19 Care Center.

The WellSpace Health Care Center is located at 11333 Prospect Drive in Jackson. This additional resource in our community is open Monday through Friday from 8 a.m. to 6 p.m. Same day appointments may be set up by calling (209) 268-0560. The appointment will include an evaluation by a health care provider and the Care Center will test for COVID-19 if deemed medically appropriate, based on CDC guidance, during the evaluation.

In addition to our local health care partner efforts, the Amador Health Officer has requested that California set up an [Optum Serve](#) or [Project Baseline by Verily](#) COVID-19 testing site in Amador County. As of today, the State has not approved this request.
