July 2020

Dear Candidate:

I congratulate you on your decision to run for public office. Your willingness to give your time in service to the residents of your community and Amador County is commendable. Merely by participating in an informative and civil campaign you improve the quality of this County’s civic life.

As a candidate for office, you are now responsible for the legalities of candidacy, campaigning, and financial reporting. This process can be confusing, even for the most seasoned candidates.

We have developed this Candidate Guide to help you understand your responsibilities for the November 3, 2020 Presidential General Election.

I feel privileged and honored to serve you in my capacity as your Registrar of Voters. My office is ready to answer your questions and provide assistance. I encourage you to direct your questions regarding candidate filings to our Filing Officers, Mark Hammergren and Cynthia Greer at 209-223-6465 or email them at elections@amadorgov.org.

Sincerely,

Kimberly L Grady
Registrar of Voters

Qualifications by Office

Generally:

Unless otherwise specifically provided, no person is eligible to be elected or appointed to an elective office unless that person is a registered voter and otherwise qualified to vote for that office at the time that nomination papers are issued to the person or at the time of the person’s appointment. *EC§201*

Specifically:

**School District Governing Board Member**
Any person, who is 18 years of age or older, a citizen of the state, a resident of the school district, a registered voter, and who is not disqualified by the Constitution or laws of the state from holding a civil office, is eligible to be elected or appointed a member of a governing board of a school district without further qualifications. An employee of a school district may not be sworn into office as an elected or appointed member of that school district's governing board unless and until he or she resigns as an employee. If the employee does not resign, the employment will automatically terminate upon being sworn into office. *ED §35107*

Notwithstanding any other provision of law, except as provided in subdivision (d), no person shall file nomination papers for more than one district office, including a county board of education office, at the same election. *EC §10603(c)*

**Special District Board Member**
Candidate must be a resident and qualified elector of the district. (See various codes containing enabling legislation for district creation. Find all 29 California Codes at: [http://leginfo.legislature.ca.gov/faces/codes.xhtml](http://leginfo.legislature.ca.gov/faces/codes.xhtml).)
Holding Two Offices

Incompatible offices precludes public officials from holding two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” (Mott v. Horstmann (1950) 36 Cal.2d 388; see also, Chapman v. Rapsey (1940) 16 Cal.2d 636.)

California Government Code §1099 provides detailed guidance on incompatible offices and specifies the defining characteristics:

Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:

(1) Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.

(2) Based on the powers and jurisdictions of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.

(3) Public policy considerations make it improper for one person to hold both offices.

A number of legal opinions issued by the Office of the California Attorney General offer additional guidance in determining whether or not certain offices are incompatible. Here are five examples of offices that the Attorney General's Office has deemed to be incompatible:

(1) the offices of city councilman and school district board member where the city and the school district have territory in common
(2) the positions of fire chief of a county fire protection district and member of the board of supervisors of the same county;
(3) the offices of trustee of a high school district and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
(4) a water district director and a city council member; and
(5) a water district director and a school district trustee having territory in common.
Nomination Papers

(July 13, 2020 – August 7, 2020)
We strongly encourage candidates to file their nomination papers ahead of the deadline to allow time to gather additional signatures if necessary.

Candidates for office requiring a filing fee must pay their filing fee prior to the issuance of nomination papers. Unless the candidate, by the petition-in-lieu process, has gathered signatures prior to the opening of the Candidate Filing period.

Required number of nomination signatures
A candidate who declares candidacy shall have registered voters, who are eligible to vote for the candidate, sign nomination papers. The number of registered voters required to sign a nomination paper are as follows: Candidacy in a single county or any political subdivision of a county, shall be not fewer than 20 or more than 40.

Circulator of Nomination Papers
Any person 18 years of age or older may circulate nomination papers. EC§102, 8451

Petitions and Papers Must Include Declaration of Circulator
(a) Where any petition or paper is submitted to the elections official, each section of the petition or paper shall have attached to it a declaration signed by the circulator of the petition or paper, setting forth, in the circulator’s own hand, the following:

(1) The printed name of the circulator.
(2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.
(3) The dates between which all the signatures to the petition or paper were obtained.

(b) Each declaration submitted pursuant to this section shall also set forth the following:

(1) That the circulator circulated that section and witnessed the appended signatures being written.
(2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.

(c) The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature. EC§104

Qualified Signers for Petitions and Nomination Papers
Only a person who is a registered qualified voter at the time he/she signs the nomination paper is entitled to sign it. A signer shall, at the time of signing the petition or paper, personally affix his or her signature, printed name and place of residence, giving street and number, and if no street or number exists, then a designation of the place of residence which will enable the location to be readily ascertained. EC§100

Candidates may also sign their own papers, and the signature will be given the same effect as that of any other qualified signer. EC§106

Circulating Within 100 Feet of Polling Place
Signatures for nomination papers shall not be obtained within 100 feet of a polling place, or elections official’s office on Election Day, or at any time a voter may be casting a ballot. EC§18370
Voters May Sign Only One Paper Per Open Position
No signer shall, at the time of signing a certificate, have his or her name signed to any other nomination paper for any other candidate for the same office or, in case there are several places to be filled in the same office, signed to more nomination papers for candidates for that office than there are places to be filled. **EC§8069**

Registering Voters at Time of Nomination Papers
Candidates may register voters at the same time as the voter signs the candidate’s nomination paper. For purposes of verifying signatures on a petition or paper, a properly executed affidavit of registration shall be deemed effective for verification purposes if both (a) the affidavit is signed on the same date or a date prior to the signing of the petition, and (b) the affidavit is received by the elections official on or before the date on which the petition is filed. **EC§2102(b)**

Validation of Signatures
The county elections official shall verify the signatures of the signers on the petition or paper with the registration affidavits on file in the office of the county elections official. The county elections official shall mark “not sufficient” any signature that does not appear in the same handwriting as appears on the affidavit of registration in his or her office, or that is accompanied by a declaration of party preference that is not in accordance with the declaration of party preference in the affidavit of registration. The county elections official may cease to verify signatures once the minimum requisite number of signatures has been verified. **EC§8081**

No defect in any nomination document presented shall prevent the filing of another nomination document within the period allowed for presenting the nomination document. **EC§8102**

The following guidelines will be used when validating signatures on nomination papers. A signature can be challenged for any of the follow reasons. If the signer:

- is not registered to vote;
- provides a signature on the petition that does not compare to the signature on the voter’s affidavit of registration;
- does not reside in the appropriate district;
- uses a P.O. Box number for residence;
- residential address is omitted;
- uses a mail drop number for residence address;
- provides an address that is different from the voter’s residential address on the affidavit of registration on the voter’s record;
- prints his or her name for the signature, unless registered as such;
- lists and signs her name using spouse’s name, such as “Mrs. John Jones”;
- uses ditto marks for an address previously listed.

Ballot Designation

July 13, 2020 – August 7, 2020

Ballot Designation
Candidates have the option of using a ballot designation. The ballot designation is the word, or group of not more than three (3) words, which will appear on the ballot under the candidate’s name, designating the current principal profession, vocation, or occupation of the candidate.

The ballot designation that a candidate may use is governed by EC§13107, which states the following:

(a) With the exception of candidates for Justice of the State Supreme Court or Court of Appeal, immediately under the name of each candidate, and not separated from the name by any line, unless the designation is made pursuant to §8002.5 or §13105, may appear at the option of the candidate only one of the following designations:

(1) Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or to which he or she was appointed, in the case of a superior court judge.

(2) The word "incumbent" if the candidate is a candidate for the same office which he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.

(3) No more than three words designating either, the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

(4) The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or, if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.
(b) Neither the Secretary of State nor any other elections official shall accept a designation of which any of the following would be true:

(1) It would mislead the voter.

(2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

(3) It abbreviates the word "retired" or places it following any word or words which it modifies.

(4) It uses a word or prefix, such as "former" or "ex-," which means a prior status. The only exception is the use of the word "retired."

(5) It uses the name of any political party, whether or not it has qualified for the ballot.

(6) It uses a word or words referring to a racial, religious, or ethnic group.

(7) It refers to any activity prohibited by law.

(c) If, upon checking the nomination documents and the ballot designation worksheet described in Section 13107.3, the election official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's ballot designation worksheet.

(1) The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a).

(2) In the event the candidate fails to provide a designation that complies with subdivision (a) within the three-day period specified in paragraph (1), no designation shall appear after the candidate's name.

(d) No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as specifically requested by the elections official as specified in subdivision (c) or as provided in subdivision (e). The elections official shall maintain a copy of the ballot designation worksheet for each candidate that appears on the ballot in the county for the same period of time as applied to nomination documents pursuant to Section 17100.

(e) The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request.

(f) In all cases, the words so used shall be printed in 8-point roman uppercase and lowercase type except that, if the designation selected is so long that it would conflict with the space requirements of Sections 13207 and 13211, the elections official shall use a type size for the designation for each candidate for that office sufficiently smaller to meet these requirements.
(g) Whenever a foreign language translation of a candidate's designation is required under the Voting Rights Act of 1965 (42 U.S.C. Sec. 1971), as amended, to appear on the ballot in addition to the English language version, it shall be as short as possible, as consistent as is practicable with this section, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

Ballot Designation Worksheet Required

(a) A candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.

(b) The ballot designation worksheet shall be filed with the elections official at the same time that the candidate files his or her Declaration of Candidacy.

(c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate's name on the ballot. 
EC§13107.3

Use of the term “Community Volunteer” as a Ballot Designation

A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

(1) A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.

(2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

(3) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.

EC §13107.5(a)

Use of the Secretary of State's Ballot Designation Regulations

The California Secretary of State has adopted regulations (specifically, Chapter 7 of Division 2 of Title 2 of the California Code of Regulations) relating to ballot designations for certain offices. The Amador County Elections Official has opted to refer to those regulations to provide guidance in addressing issues which arise relating to ballot designations for local offices. The regulations are available online at www.oal.ca.gov/CCR.htm.

In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the phrase “appointed incumbent” shall not be required of a candidate who seeks reelection to an office which he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election, pursuant to Sections 5326 and 5328 of the Education Code or Section 7228, 7423, 7673, 10229, or 10515 of this code.

(b) (1) Except as specified in paragraph (2), for candidates for judicial office, immediately under the name of each candidate, and not separated from the name by any line, only one of the following designations may appear at the option of the candidate:

(A) Words designating the city, county, district, state, or federal office held by the candidate at the time of filing the nomination documents.

(B) The word “incumbent” if the candidate is a candidate for the same office that he or she holds at the time of filing the nomination papers.

(A) Words designating the actual job title, as defined by statute, charter, or other governing instrument.

(B) One of the following ballot designations: “Attorney,” “Attorney at Law,” “Lawyer,” or “Counselor at Law.” The designations “Attorney” and “Lawyer” may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

(3) A designation made pursuant to subparagraph (A) of paragraph (1) or paragraph (2) shall also contain relevant qualifiers, as follows:

(D) If the candidate performs quasi-judicial functions for a governmental agency, the full name of the agency shall be included.

(d) For purposes of this section, all California geographical names shall be considered to be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. (1) It would mislead the voter.
(2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.

(3) It abbreviates the word "retired" or places it following any word or words which it modifies.

(4) It uses a word or prefix, such as "former" or "ex-", which means a prior status. The only exception is the use of the word "retired."

(5) It uses the name of any political party, whether or not it has qualified for the ballot.

(6) It uses a word or words referring to a racial, religious, or ethnic group.

Code of Fair Campaign Practices (Optional)
The Legislature declares that the purpose of this chapter [Chapter 5, Division 20 of the California Elections Code] is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices. It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions. *EC§20400*

At the time an individual is issued his or her Declaration of Candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official, shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection. In no event shall a candidate for public office be required to subscribe to or endorse the code. *EC§20400 – 20444*

No state or local agency shall post the home address or telephone number of any elected or appointed official on the internet without first obtaining the written permission of that individual.

No person shall knowingly post the home address or telephone number of any elected or appointed official, or of the official's residing spouse or child on the internet knowing that person is an elected or appointed official and intending to cause imminent great bodily harm that is likely to occur or threatening to cause imminent great bodily harm to that individual. A violation of this subdivision is a misdemeanor. Candidate Statement Guidelines

COST OF LOCAL CANDIDATE STATEMENT 350.00   STATEWIDE CANDIDATE STATEMENT $400.00

Elections Code §13307 lists the following requirements regarding the candidate statement:

(a) (1) Each candidate for nonpartisan elective office in any local agency, including any city, county, city and county, or district, may prepare a candidate’s statement. The statement may include the name, age, and occupation of the candidate and a brief description, of no more than 200 words, of the candidate’s education and qualifications expressed by the candidate himself or herself. The statement shall not include the party affiliation of the candidate, nor membership or activity in partisan political organizations.

(2) The statement authorized by this subdivision shall be filed in the office of the elections official when the candidate’s nomination papers are returned for filing, if it is for a primary election, or for an election for offices for which there is no primary.

(3) Except as provided in Section 13309, the statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5 p.m. of the next working day after the close of the nomination period.

(b) The elections official shall send to each voter a voter’s pamphlet which contains the written statements of each candidate that is prepared pursuant to this section. The statement of each candidate shall be printed in type of uniform size and darkness, and with uniform spacing. The elections official shall provide a Spanish translation to those candidates who wish to have one, and shall select a person to provide that translation from the list of approved Spanish language translators and interpreters of the superior court of the county or from an institution accredited by the Western Association of Schools and Colleges.

(c) The local agency may estimate the total cost of printing, handling, translating, and mailing the candidate’s statements filed pursuant to this section, including costs incurred as a result of complying with the federal Voting Rights Act of 1965, as amended. The local agency may require each candidate filing a statement to pay in advance to the local agency his or her estimated pro rata share as a condition of having his or her statement included in the voter’s pamphlet. In the event the estimated payment is required, the receipt for the payment shall include a written notice that the estimate is just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the local agency is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost. In the event of underpayment, the local agency may require the candidate to pay the balance of the cost incurred. In the event of overpayment, the local agency which, or the elections official who, collected the estimated cost shall prorate the excess amount among the candidates and refund the excess amount paid within 30 days of the election.
(d) Nothing in this section shall be deemed to make any statement, or the authors thereof, free or exempt from any civil or criminal action or penalty because of any false, slanderous, or libelous statements offered for printing or contained in the voter’s pamphlet.

(e) Before the nominating period opens, the local agency for that election shall determine whether a charge shall be levied against that candidate for the candidate’s statement sent to each voter. This decision shall not be revoked or modified after the seventh day prior to the opening of the nominating period. A written statement of the regulations with respect to charges for handling, packaging, and mailing shall be provided to each candidate or his or her representative at the time he or she picks up the nomination papers.

(f) For purposes of this section and Section 13310, the board of supervisors shall be deemed the governing body of judicial elections.

Guidelines for All Candidates

It is strongly recommended that the statement be filed personally by the candidate. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement in the event that errors or an excess number of words are detected prior to filing the statement. Statements received by mail prior to the deadline will be filed provided that they meet the statutory requirements and county policies regarding candidates’ statements. Statements may not be changed after filing.

Format and Non-Conformity

In order to ensure uniformity of all candidates’ statements, each candidate must prepare the statement according to the following guidelines:

Type the statement exactly as you wish it to appear.

In addition to hard copy, please provide the statement on flash drive, CD or by email (elections@amadorgov.org) in plain text format (*.txt), if possible.

One signed hard copy must be filed by the deadline. If there are any discrepancies between the hard copy and the electronic copy, the hard copy will prevail.

Do not use formats that are underlined, bolded, italicized, or ALL CAPITALIZED.

Do not use any unusual spacing, punctuation, indentations, bullets, or an outline format.

Check your statement for errors in spelling, punctuation and grammar. Remember, statements cannot be changed once they are filed and the County Elections Official is not responsible for correcting these errors.

Confine the statement to the applicable word number limit.

Do not include any party affiliation (applies to nonpartisan offices).

Do not include membership or activity in partisan political organizations (applies to nonpartisan offices).

All statements will be formatted to fit within a quarter-page space. If a statement is submitted and found non-compliant in format, the Elections Official will make the necessary changes to create compliance.
In the case where a candidate submits a statement which is not in conformance with the guidelines provided (i.e., typed in all caps, underscoring, unusual spacing, outline form, or capitalization of some words for emphasis purposes), the Elections Office will instruct the printer to ignore any special emphasis placed on words or phrases, and to set the statements utilizing a uniform format.

The heading includes the candidate’s name (required), age (optional), and occupation (optional). All statements will be formatted to begin with the words: “Education and Qualifications:” followed by the text filed by the candidate. These words, as well as the heading, are standardized and included in the space provided. The words “Education and Qualifications” do not count toward the number of words allowed for the statement.

The “Occupation” field in the candidate’s statement is NOT governed by the laws and regulations pertaining to the ballot designation that appears underneath the candidate’s name on the ballot. Therefore, it may be different from the candidate’s ballot designation. However, if its length exceeds one line, the candidate may be asked to modify words. In addition, the statement of “Occupation” must otherwise conform to applicable laws and regulations and should not be misleading.

**Word Counting**
Pursuant to the Secretary of State’s guidelines and Section 9 of the Elections Code, words will be counted as follows:

- Each word shall be counted as one word except as specified in Section 9.
- All geographical names shall be considered as one word; for example, “City and County of San Francisco” shall be counted as one word.
- Each abbreviation for a word, phrase, or expression shall be counted as one word.
- Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word. Examples: “mother-in-law”, “first-rate”, “one-time” will be counted as one word; “one-half”, “local-area”, “home-page” will be counted as two words.
- Dates consisting of a combination of words and digits (April 22, 2020 or March 2019) shall be counted as two words. Dates consisting only of a combination of digits (4/22/2020 or 2019-2020) shall be counted as one word.
- Any number consisting of a digit or digits shall be considered as one word. Any number which is spelled, such as “one,” shall be considered as a separate word or words. Examples: “one” shall be counted as one word; “one hundred” shall be counted as two words; and “100” shall be counted as one word.
- Telephone numbers shall be counted as one word.
- Internet website addresses shall be counted as one word.
- This section shall not apply to counting words for ballot designations under Section 13107.
- Characters used in place of a word or number, such as “&” or “#”, shall be counted as one word.
- Punctuation is **not** counted.
- Name, age and occupation located in the header is **not** counted.
- If the text exceeds the word limit, the author will be asked to rewrite the text in order to bring the total number of words within the required word limit.
Withdrawal
Any candidate may withdraw (but not change) the filed candidate statement, either in person or by a signed statement of withdrawal, no later than 5:00 p.m. of the next business day following the close of the nomination period. *EC§13307(a)(3)*

Confidentiality
Notwithstanding the California Public Records Act, the statements filed pursuant to Elections Code §13307 shall remain confidential until expiration of the filing deadline. *EC§13311*

Public Examination of Candidate Statements
Statements are available for public examination in the county election official’s office during the 10-calendar-day review period (commencing at 5:00 p.m. August 7, 2020 or August 12, 2020 for extended races) prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the county election official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. Venue for such a proceeding shall be the county in which the statement is filed. If the statement is filed in more than one county, the writ or injunction must be sought in each county in which amendments or deletions to the statement are sought. *EC§13313*

Official Voter Information Pamphlet Sign-Off Process
Final copies of how candidate statements will appear in the Official Voter Information Pamphlet will be sent to each individual for “sign-off” approval. Changes will only be made if the finalized version differs from the hard copy submitted or if a gross error was made on the part of the Elections Office.

A 24-hour turnaround time is required for this sign-off process, so as not to jeopardize the printing schedule.

The Official Voter Information Pamphlet will be inserted into the Vote-By-Mail packets and mailed to each voter. The Vote-By-Mail mailing period for this election will begin no later than October 5, 2020 and commence through October 27, 2020.
Below are fictitious samples of 200-word statements as they would appear in the voter information portion of the sample ballot pamphlet. Statements will appear in the same order as the candidates' names appear on the ballot, except for offices elected throughout the county (which are rotated on the ballot by supervisorial district, but not rotated in the Sample Ballot).

For a complete listing of restrictions on campaign practices and accompanying regulations, please refer to the Divisions and Titles in their entirety.

Restrictions on Campaign Literature and Certain Other Campaign Activities

Candidate Statement and Qualifications
Candidates are advised not to mislead voters in their candidate statement.

Elections Code §18351 states: “Any candidate in an election or incumbent in a recall election who knowingly makes a false statement of a material fact in a candidate’s statement, prepared pursuant to Section 11327 or 13307, with the intent to mislead the voters in connection with his or her campaign for nomination or election to a non-partisan office is punishable by a fine not to exceed one thousand dollars ($1,000).”

Use of a Simulated Ballot
The publication of a “simulated ballot” in relation to elections is regulated by EC§20009 which states in relevant part:

NOTICE TO VOTERS
(Required by Law)

This is not an official ballot or an official sample ballot prepared by the county elections official or the Secretary of State.

This is an unofficial, marked ballot prepared by ________ (insert name and address of the person or organization responsible for preparation thereof).

Nothing in this section shall be construed to require this notice in any editorial or other statement appearing in a regularly published newspaper or magazine other than a paid political advertisement.

EC§304

A post office box may be stated in lieu of a street address if the organization’s address is a matter of public record with the Secretary of State.

(b) If the sender of the mass mailing is a single candidate or committee, the name, street address, and city of the candidate or committee need only be shown on the outside of each piece of mail.

Campaign Signs

Every campaign season, our office receives a number of calls from property owners complaining of uninvited campaign signs being placed on private property. The Following is the California Penal Code provisions that prohibit such placements on private property without the owner’s prior consent (Section 556.1) and likewise on property owned by the state, county or city (Section 556). Section 556.1 states:

“It is a misdemeanor for any person to place or maintain or cause to be placed or maintained upon any property in which he has no estate or right of possession any sign, picture, transparency, advertisement, or mechanical device which is used for the purpose of advertising, or which advertises or brings to notice any person, article of merchandise, business or profession, or anything that is to be or has been sold, bartered, or given away, without the consent of the owner, lessee, or person in lawful possession of such property before such sign, picture, transparency, advertisement, or mechanical device is placed upon the property.”
Dear Candidate or Committee Member:

As a candidate or campaign worker for either an office or a ballot measure, this reminder about state law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act (California Business & Professions Code §5200) exempts the placing of temporary political signs from normal outdoor advertising display requirements.

A temporary political sign meets the following criteria:

A. Encourages a particular vote in a scheduled election.

B. Is placed not sooner than 90 days prior to the schedule election and is removed within 10 days after that election.

C. Is no larger than 32 square feet.

D. Has had a Statement of Responsibility filed with the department certifying a person who will be responsible for removing the sign (attached).

A completed Statement of Responsibility must be submitted to the appropriate district office according to the county location of the temporary political sign(s).

Temporary political signs shall not be placed within the right-of-way of any highway, or be visible within 660 feet from the edge of the right-of-way of a classified "landscaped freeway".

State law directs the Department of Transportation to remove unauthorized temporary political signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment to you and your supporters. Please pass this information along to those assisting in your campaign.

If you have any questions, feel free to contact us at the Outdoor Advertising Office.

Voter Registration Information

Registration Deadline for this Election
To vote in any election, a citizen must be properly registered 15 calendar days prior to the election date. Amador County Elections Office encourages all voters to be properly registered well before that 15-calendar-day deadline to ensure enough time for our office to complete postal delivery of correct and complete election materials prior to an election.

Voters may register online by visiting our website at www.amador.vote or the Secretary of State’s at http://registertovote.ca.gov/.

For the November 3, 2020 election, voters must be registered at their current residential address on or before Monday, October 19, 2020.

For Your Information
In order to remain eligible to vote, voters must re-register following these events:

- Change of residential address
- Change of name (first, middle or last name) and/or signature
- Change of political party affiliation

Postage-paid voter registration forms are available at these locations:

- U.S. Post Offices
- Public libraries
- City Halls
- Department of Motor Vehicles offices
- Amador County Elections Office

To be eligible to register to vote in California, a person must be:

- A citizen of the United States and a resident of California.
- At least 18 years of age by Election Day.
- Not in prison or on parole for the conviction of a felony.

Conditional Voter Registration is a new safety net for Californians who miss the deadline to register to vote or update their voter registration information for an election. If you visit one of our three Vote Centers, there is still an opportunity to cast a ballot by completing the conditional voter registration process.
Election Observing and Reporting

Election Observing
The Elections Office has procedures and protocols in place for accommodating and managing election observers at vote centers. It is important that such activities at the vote centers are organized, and hassle-free for both the voters and the Election Officers.

- Observers are welcome to watch all proceedings at the vote centers, including Election Officers while opening up the polls, citizens preparing to vote, and, more commonly, to observe the closing activities.
- Observers have the right to pose questions. Procedural queries should be directed to the Vote Center Manager, or in the Manager's absence, to the Election Officer in charge.
- Observers may not go into an occupied voting booth and may not approach voters during the voting process. Observers may talk to voters outside the vote center, beyond the no electioneering 100 foot zone.
- Observers may not directly challenge a voter's eligibility to cast a ballot. Election Officers hold the sole authority to do so. (EC§14240)
- Observers may not interfere in any way with the voting process.

Procedure for Posting List of Voters at the Polling Place (EC§14202)
Elections law specifies procedures for the posting of the street index of voters at each polling place. This information is provided to assist candidates and campaign workers on Election Day when seeking voter information. Candidates and members of their election campaign team should be aware of the following procedures and should not interfere with or request the Election Officers to handle additional tasks on behalf of your campaign:

- Viewing of Street Index of Voters
  Street index can be viewed electronically on a laptop at any vote center. The street index updates in real time through a live connection to the county voter registration database.

Election Results: Semi-Official and Official Canvass
The semi-official canvass will commence immediately upon the close of the polls at 8:00 p.m., November 3, 2020. (EC§15150) Votes are extracted and cumulated at the secure, central counting location within the Elections Office at 810 Court St, Jackson, CA 95642. Generally, the election night results will be released as follows:

(a) Vote by Mail ballots only
(b) All mail ballot precinct results
(c) Vote center results

Final Official Canvass
The purpose of the Official Canvass is to thoroughly audit, account for, and validate every ballot and vote cast in the election, so that the Elections Official may derive and certify the final vote counts. This process tests the accuracy and validity of partial vote counts derived in the Semi-Official Canvass, and goes beyond those preliminary processes to validate and count additional Vote by Mail ballots, provisional ballots and write-in votes, and to account for unused and damaged paper ballots.

During the Official Canvass, any interested person may observe the Elections Office’s procedures. To arrange to be an observer, please call 209-223-6465 or visit the office at 810 Court Street in Jackson, during normal business hours (Monday – Friday, 8:00 a.m. - 5:00 p.m.).

Election Certification
Official results must be certified by the County Elections Official no later than 28 calendar days following the election (December 1, 2020). A certified “Statement of the Vote” will be available on our website.

View the results as they are posted on our website at: www.amador.vote
