26817[7490] photo, scanned—Butte City—photo, Butte City—scanned from Butterfield and Butterfield
catalogue, June 17, 1998, item 2053, page 9—-Described as "circa 1850...Butte City, a view of a valley
with a mining encampment and numerous figures in the foreground. Pencil and watercolor heightened
with white, on paper laid down on board, cropped each corner, short closed tear in upper right, minor
spotting in the sky upper left, else clean, 265x355 mm. "Shown are tents, buildings, horses, and of course
encumbered miners that one would expect, with rolling, timbered hills in the background.." Then errs in
believing Butte City was in Butte County. Estimate $2000 to $3000. Sold reportedly for about $11,000.
Photo shows the stage road ess curving through the village; Butte Store may be in photo but hidden;
otherwise, probably drawn prior to 1857 when store went up; this is second sketch of Butte City in 1850s
